4.2 Library as a Learning Resource

Library is automated using Integrated Library Management System (ILMS)

- Name of the ILMS software: Auto Lib NG Software
- Nature of automation (fully or partially): Fully
- Version: New Generation (NG)
- Year of automation.- 2019 upgraded in 2023
- AMC.: 2023

Description of Library Automation Software:

We are using Auto Lib NG library management software since 2019. It is upgraded one time in 2023. This ILMS is user friendly software and it enables efficient library administration to cater user services. Auto Lib software keeps all the transaction records & generates various reports which are very useful for library administration. Auto Lib NG software having various modules like Master, Member, Acquisition, Circulation, Tools, Search, Reports, Print, System Admin, Help etc. It helps to do various operations of library and keep records for generating various library reports.

Approval of request of Sai Balaji International Institute of Management Sciences for Institutional registration in NDL India

1 message

NDL-Support <ndi-support@iitkgp.ac.in>
To: shivraj.magre@gmail.com

Tue, Aug 7, 2018 at 4:10 PM

Dear Shivraj Magre,

Your request for institutional registration facility in NDL India is approved. Please register all the users (students, research scholars, faculty members and staff) of Sai Balaji International Institute of Management Sciences, who are not yet registered in NDL India, by clicking the "Add User" button of the NDL India portal available to you after you login to NDL India (<https://ndi.iitkgp.ac.in/>).

There are two options: Single User Registration and Bulk User Registration. Single User Registration is self-explanatory. For Bulk User Registration please prepare CSV file, strictly as per the following format, and then upload the file:

- e-mail id (of user)*
- First Name (of user)*
- Last Name (of user)

Note that the e-mail id and First Name are mandatory for each person but Last Name is optional. Also there should not be more than 1000 (One Thousand only) users in a CSV file. The registration process gets completed once the registration mails are sent to all the users listed in the file. It may take some time to complete this mail sending process and you may observe the status in the tab "Status".

In case you need to register more than 1000 users, please do this by making multiple files, each file not containing more than 1000 users, and uploading each file separately, and one by one. The next file should be uploaded only when the registration process for the previous file is completed, which may be confirmed from the "Status" tab.

Since new students, faculty, staff join every 6 months, please collect details of new users enrolled in Sai Balaji International Institute of Management Sciences every 6 month period and get them registered in NDL India.

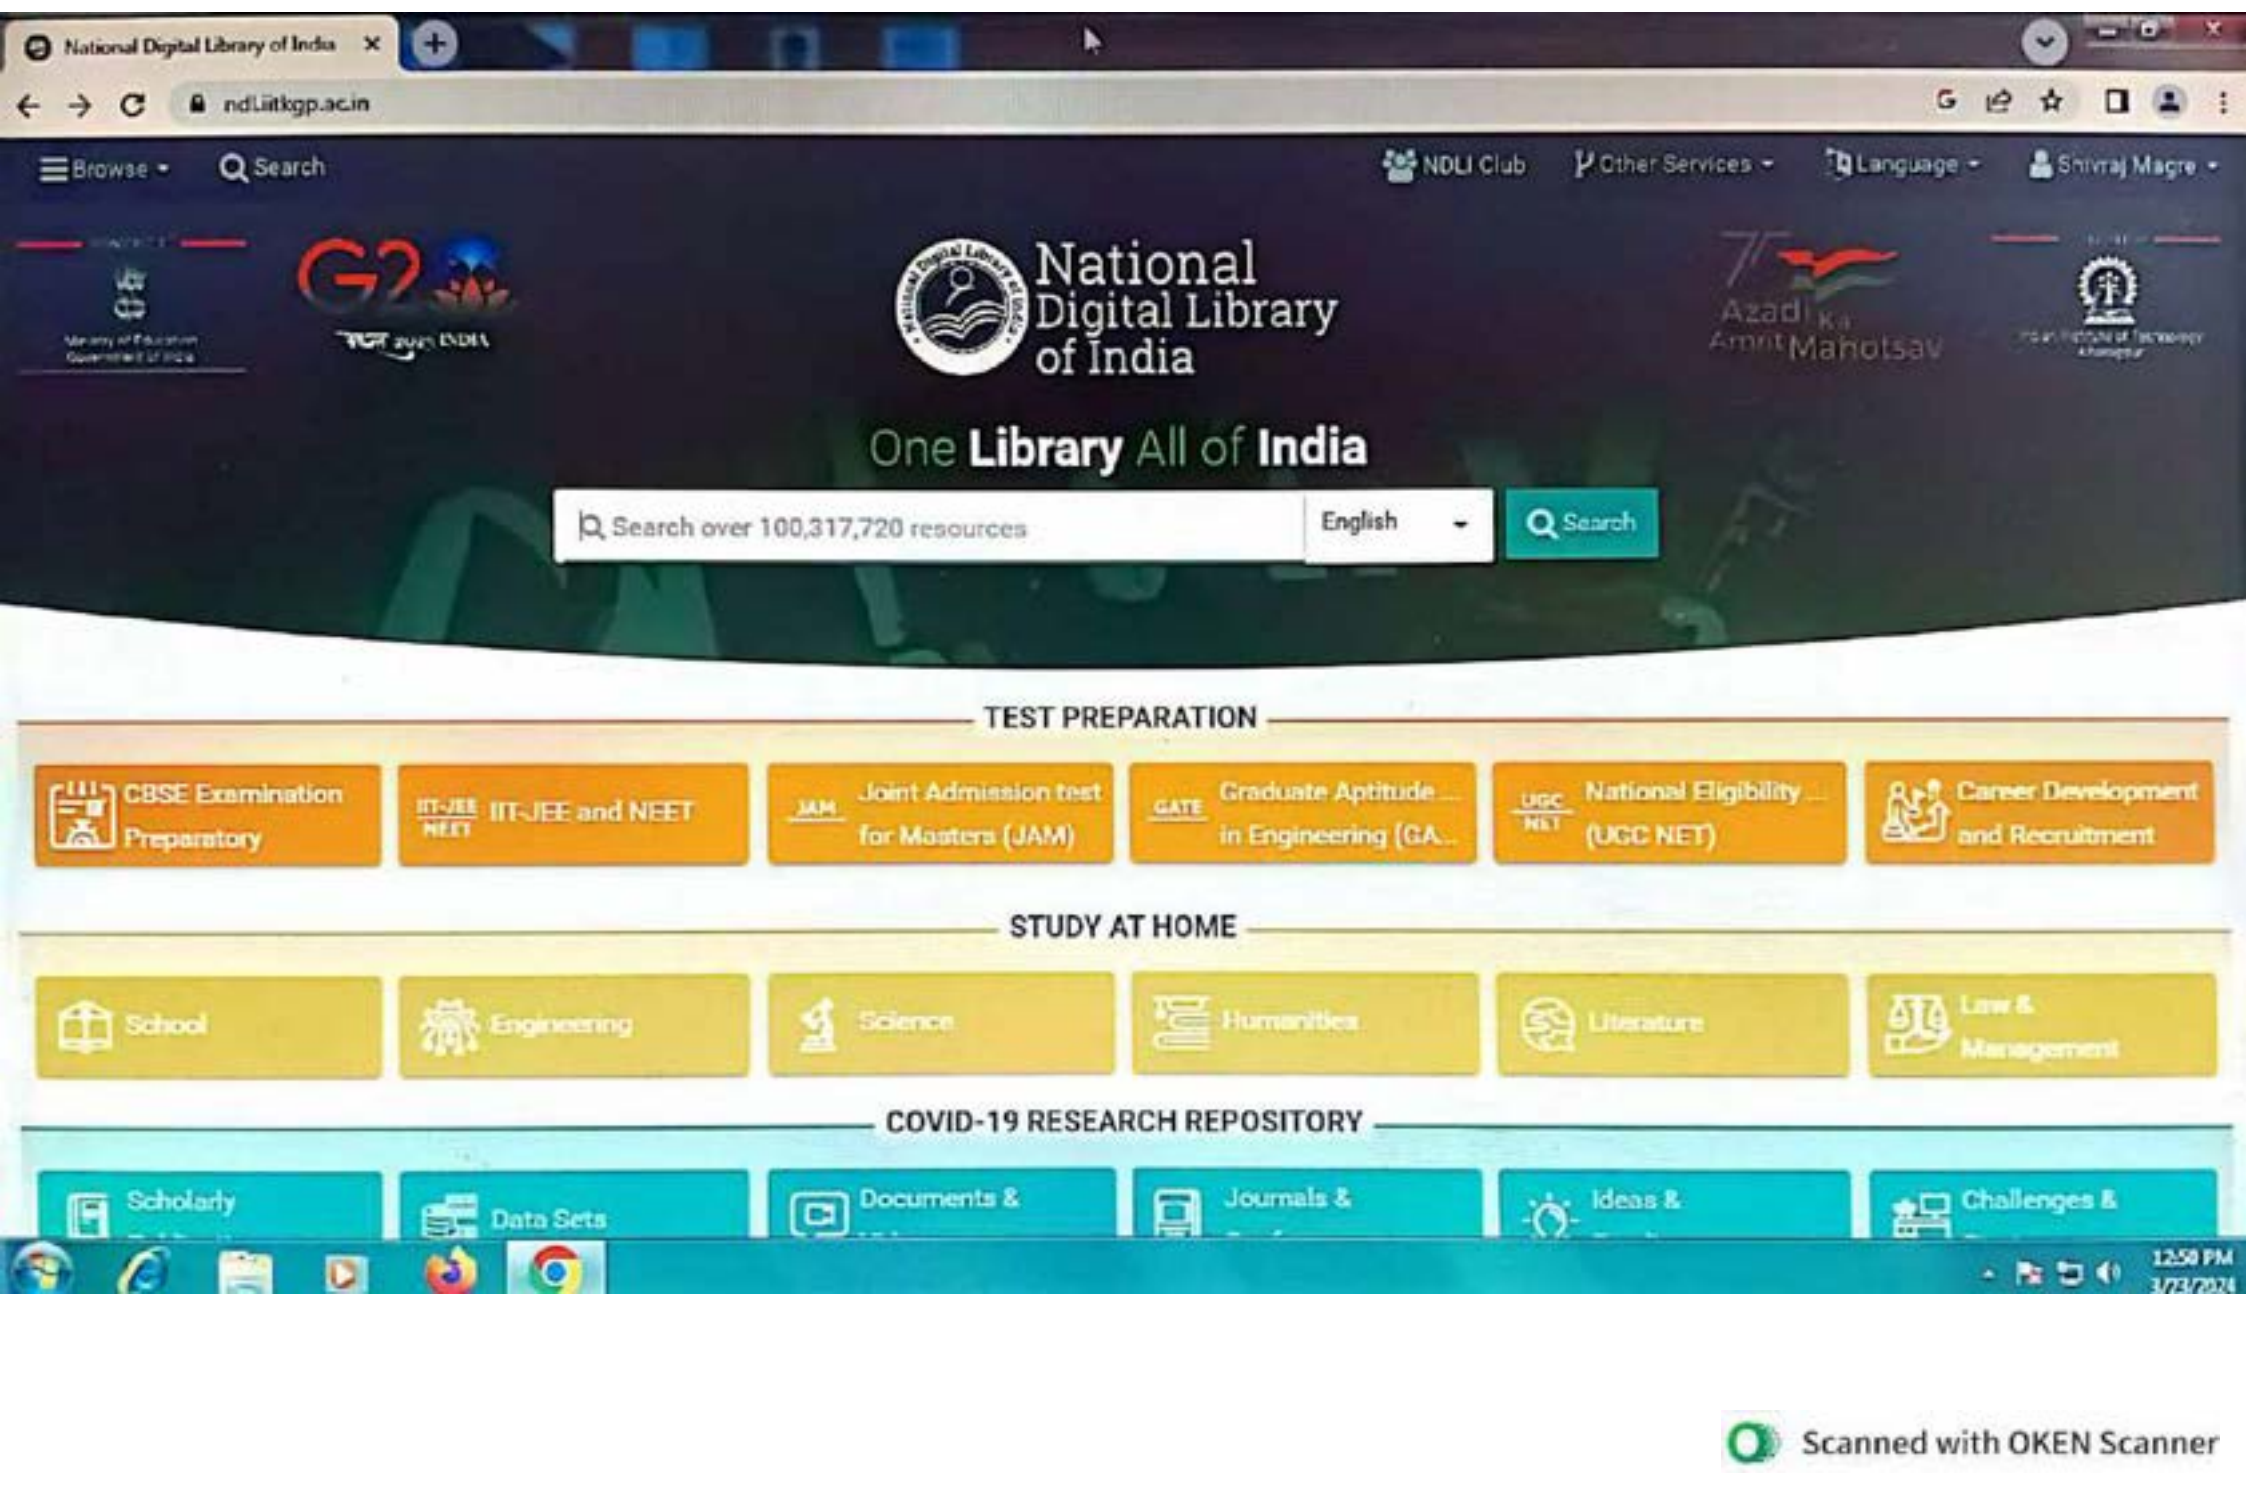

If you face any problem or need any clarifications, please get in touch with us at ndi-support@iitkgp.ac.in.

We solicit your cooperation in getting all users of Sai Balaji International Institute of Management Sciences registered in NDL India regularly.

Let's all enjoy NDL India!

Best Regards,

The NDL India team
